OUR PROJECTS

Tronox is the main project, the starting point, and an app for earning TRX

Our own token (TRC20 token prelaunch soon)

Developments - our own developments for business and earning

The Tronox Ecosystem is a big cryptocurrency project designed to bring together like-minded people from around the world into one DAO.

# TRONOX

Tronox is our first tool, designed to fairly distribute TRX tokens among participants using mining power to earn various cryptocurrencies.

As our ecosystem expands and new projects emerge, the profitability for Tronox investors will fluctuate.

We aim to ensure stable operations with long-term earning prospects for our investors.

# TRONOX

**Tonox is our second investment direction for earning Tron tokens.**

**Additionally, the project serves as a starting point for farming our own token.**

**Use Tonix to its full potential and secure top positions. Remember, the early birds always earn more.**

## PLAY TO EARN

Play to Earn (P2E) is quickly growing in the cryptocurrency world.

We aim to lead in creating cryptocurrency games.

We develop exciting P2E projects on Telegram to attract many players.

All projects will use our token, ensuring its constant demand.
